Hi <u>CNA TEAM</u>:
The next education module loaded on Relias Learning is titled, "Leahi ADL Coding". In this module, you will learn the differences between the types of ADL assistance provided to the resident and how to code it properly when documenting.

Instructions:
To access Relias Learning go to:

https://leahi.training.reliaslearning.com

- Sign in with your username and password.

- Once signed in, you will see the course on your learning page. Click on the green "start" button.

- This module has no sound.

- Once completed, exit the module and take the final exam. A passing score is 100%.

- **Deadline for completion is Wednesday, January 4, 2023.** This in-service should be done during your work time. We are giving **<u>ample time</u>** for completion. The best strategy is to read a little each time you work. If you choose to do it during off time from work or at home, no OT will be given. **Please do not wait until the last minute to complete it.**

Please call the Education Office (x37971) for any questions.

Thank you and Happy Learning.
